
How To Find Puppy Manners

The **Puppy Manners** facility is located at:

8902 222nd Street SE
Woodinville, WA 98072-8049
425.482.1057

From **North** or **South**:

- I-405 toward Bothell (Bothell is north of Bellevue/Kirkland and south of Lynwood/Everett)
- SR-522 east (exit toward Monroe/Wenatchee)
- Paradise Lake Road east (first **traffic signal** after you get on SR-522)
- East Bostian Road south (first street after you turn onto Paradise Lake Road – at the Chevron station)
- 222nd Street SE east (first street after you get on East Bostian Road – 222nd only goes left)
- Gravel driveway south at 8902 222nd Street SE (first driveway on right after you turn onto 222nd Street SE)

Important Details:

- Paradise Lake Road is not an off ramp exit. It is a **traffic light**. It is the *first* traffic light you come to after getting on SR-522 if you're coming from I-405.
- East Bostian Road parallels SR-522 on the east. After you turn onto Paradise Lake Road, you travel a very short distance before you turn right (south) onto East Bostian Road. It's a very short distance from SR-522 to East Bostian Road.
- 222nd Street SE is 4 tenths (0.4) of a mile down East Bostian Road. It is the first street you come to and you can only turn one-way, left (east).
- After turning onto 222nd Street SE, you'll know you've found our gravel driveway when you see the "Norton Corrosion" sign. We share the driveway with them.
- Drive straight south on the gravel driveway until you come to the end and you'll drive right onto the facility grounds.
- A graphical map may help, especially if you're coming from the east. We've provided a link on our web page to a map courtesy of Expedia[®]. Go to:
